

1st Annual North-East

EBM **BBCI**

Conference 2018

*Cancers
of
Nasopharynx, Hypopharynx,
Oesophagus and Stomach*

**23rd - 25th
November, 2018**

Organized by

Dr B Borooah Cancer Institute

A Grant-in-Aid Institute of Dept of Atomic Energy, Govt. of India
and a Unit of Tata Memorial Centre (Mumbai)
Guwahati, Assam, India

Venue : BBCI Auditorium, OPD, 2nd Floor

1st Annual North-East EBM BBCI Conference 2018

23rd - 25th November, 2018

Cancers of Nasopharynx, Hypopharynx, Oesophagus and Stomach

Dear All,

Dr B Borooah Cancer Institute (BBCI), Guwahati will be hosting the 1st NE Conference of Evidence Based Management of Cancers (EBM) from 23rd to 25th November 2018. The meeting will commemorate the takeover of BBCI by the Dept of Atomic Energy, GOI on 27th Nov 2017. This meeting is being held under the guidance of Tata Memorial Hospital, Mumbai which has pioneered the practice of EBM in Oncology in India. The theme of this year's conference is "Common Cancers of North-East India". Hypopharynx and esophagus forms the two leading sites of cancers in males; and gastric cancer as the leading cause of cancer related death in NE India. This first EBM will focus on the different aspects of common cancers of NE India, especially, hypopharynx, nasopharynx, esophagus and stomach. Hope this event will aspire to help busy clinicians from all over NE India as well as the rest of the country to get updated on the best available evidence in oncology in the above mentioned topics.

Renowned national faculty members will cover the above topics in a very focused and succinct manner. The target audience for the meeting is surgical, radiation, medical oncologists, anesthesiologists, radiologists, pathologists, physicians, basic scientists, general medicine practitioners, researchers and residents training in any of the specialties.

We look forward to welcoming you at this 1st annual event.

Dr. A.C. Katakai
Director
Dr. B Borooah Cancer Institute,
Guwahati-16

EBM-BBCI 2018 Scientific Programme

23rd - 25th November, 2018

Day 1 : Friday, 23rd November 2018

12:00 noon - 13:30 PM : Registration

13:30 PM - 14:00 PM : Welcome Address by Dr R A Badwe, Director, TMC, Mumbai
Opening Remarks by Dr A C Katak, Director, BBCI, Guwahati

Session -I : Nasopharynx (Time: 2:00pm to 5:00pm)

1. Perspective on Imaging: Influencing Management
2. Role of Radiotherapy in NPC: Evidence
3. Chemotherapy in Carcinoma Nasopharynx: What is Optimal?
4. Challenges and Optimization of Management of Adult NPC
5. Nasopharyngeal Ca: NE India experience
6. Case based discussion

Day 2 : Saturday, 24th November 2018

Session - II: Hypopharynx (Time: 9:00am to 12:30pm)

1. Burden of hypopharyngeal cancer, epidemiology: global versus NE India
2. Staging work-up: Evidence
3. Management of Early stage disease
4. Optimal Management of Advanced, non-metastatic disease: Evidence
5. Non-surgical treatment of Hypopharyngeal Cancer
6. Management of Residual/ Recurrent Hypopharyngeal Cancer
7. Case based discussions

Session-III : Esophagus (Time: 1:30am to 5:00pm)

1. Burden in North-East India and Potential Role of Screening
2. Role of PET-CT in Ca Oesophagus
3. Surgical Approach for Operable Esophageal Cancer: Transthoracic vs Transhiatal vs MIE
4. Management of Localized Esophageal Cancer: Role of Neo adjuvant Treatment
5. Differences in Management of Adeno Ca and SCC: Evidence
6. Management of locally Advanced Esophageal Cancer Not Suitable for Radical Treatment: Evidence
7. Case based discussion

Day 3 : Sunday, 25th November 2018

Session-IV : Stomach (Time: 9:00am to 12:00 Noon)

1. Burden of Ca stomach in NE India: Risk factors and screening of Gastric Ca
2. Debate: All patients with locally advanced, resectable disease should receive NACT
3. Impact of Endoscopy and EUS in Diagnosis and Management of Gastric Cancer
4. Lymph nodal dissection in Gastric Ca: How much is optimum?
5. Role of post operative RT in Ca stomach
6. Current standard of management of advanced/metastatic Ca stomach
7. Role of laparoscopy and minimal invasive surgery in gastric cancer
8. Maintaining a prospective database for surgical resections of gastric cancer across North-East India
9. Case based discussion

1st Annual North-East EBM BBCI Conference 2018

23rd - 25th November, 2018

Cancers of Nasopharynx, Hypopharynx, Oesophagus and Stomach

REGISTRATION FORM

Name (Certificate):

Institute :

Department :

Medical Council Registration Number :

Address for Correspondence :

.....

.....

Pin Code :

E-mail :

Tel. No. Mobile No.

Submitted by :

Date of Submission:

Registration Fee : ₹ 2000/-, For Student : ₹ 1000/-

*Registration Fees can be paid by Demand Draft / Cheque in favour of
"Director, Dr B Borooah Cancer Institute, Guwahati-16"

Conference Chairperson	: Dr R A Badwe, Director, TMC, Mumbai
Co-Chairperson	: Dr A C Katak, Director, BBCI, Guwahati
Organizing Secretary	: Dr M Bhattacharya, Dr P S Roy, BBCI, Guwahati
Scientific Committee	: Dr S Ghosh Laskar, Dr C S Pramesh, Dr S Shrikhande
